

The Southwest Region continues to reap National Success

The Southwest Schools' Region is made up of 'B' and 'C' group counties and is the only 'formalised 'schools' region in the country.

The SWSAA stages three championships each year: cross-country, track & field and combined events. The cross country is hosted in turn by each county, the track & field, because of the enormous size of the championships is invariable, at Exeter whilst the combined events is usually at either Exeter, Yeovil (or Millfield) or Bournemouth.
