

SOMERSET SCHOOLS ATHLETIC ASSOCIATION

Report on Senior Track & Field Championships

My report this year is very brief as I am aware that Dave Cook will be presenting a report from his perspective.

It must be clearly and loudly stated that the association is indebted to Dave for his time and effort leading up to these championships and his expertise during the championships. Without Dave's knowledge, dedication and equipment we, SSAA, would not be at the cutting edge of schools track and field championships. So many of our colleagues in other counties listen in awe when they hear that we have photo finish timing at our championships.
